Here you go Chris,

If I need to add a statement to authorize Craig as a signatory I can modify this letter to include that and the certification statement.

Thanks

Good Afternoon Bob,

Can you send me a PDF of the November 2012 Notification letter?

I will discuss if anything more is needed with Diane.

Chris,

I guess I sent Diane a notification back in November 2012 stating the facility had a change in manager. I did not address the signatory authority as I assumed it was automatic with title of

manager. I am sending another notice with the authorization statement and certification. I am sending it to the Director of the Office of Comp. and Enf.. Is there any specific person I should address this to? Also, does this remove me from also signing DMR's and such during his absence?

Thanks Chris

Good Afternoon Bob,

We have you as an authorized signatory for NPDES permits but not Craig . Please submit a new authorization identifying authorized signatories , pursuant to Section VII.E of the Permit.

Please call me if you have questions .

#### E. Signatory Requirements

All Notices of Intent, reports or information submitted to EPA and IDEQ must be signed and certified as follows.

1. All Notices of Intent must be signed by the permittee as follows:

- a. For a corporation: by a responsible corporate officer.
- b. For a partnership or sole proprietorship: by a general partner or the proprietor, respectively.
- c. For a municipality, state, federal, Indian tribe, or other public agency: by either a principal executive officer or ranking elected official.

2. All reports required by the permit and other information requested by EPA or IDEQ must be signed by a person described above or by a duly authorized representative of that person. A person is a duly authorized representative only if:

- a. The authorization is made in writing by a person described above;
- b. The authorization specifies either an individual or a position having responsibility for the overall operation of the regulated facility or activity, such as the position of plant manager, superintendent, position of equivalent responsibility, or an individual or position having overall responsibility for environmental matters for the company; and

c. The written authorization is submitted to the Director of the Office of Compliance and Enforcement and IDEQ.

Permit No.: IDG-130000 Page 49 of 96

Changes to authorization. If an authorization under §VILE.2 is no longer accurate because a different individual or position has responsibility for the overall operation of the facility, a new authorization satisfying the requirements of §VILE.2. must be submitted to the Director of the Office of Compliance and Enforcement and IDEQ prior to or together with any reports, information, or applications to be signed by an authorized representative.

Certification. Any person signing a document under Part VILE must make the following certification:

“I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.”
